

2019 – SUPER LAP SCOTLAND SUPER SPRINT CHAMPIONSHIP SPORTING & TECHNICAL REGULATIONS

PUBLISHED COPY

INTRODUCTION

Super Lap Scotland aims to prove who is the fastest driver in Scotland, the KING or QUEEN of KNOCKHILL! Devised by the Knockhill Motor Sports Club in conjunction with Track Scotland, the rules and class structure will, equalise the most powerful cars on the planet with even the most modest of Road Cars, Hot Hatch and Track Cars, it is open to all drivers, including first timers. Step up this year and prove just how fast you are!

With eight classes based on their FLYWHEEL HORSE POWER TO WEIGHT (including driver) RATIO, entrants will go head to head with comparable competitors, all scoring their respective class points to determine who is the class champion, with all points going towards the overall Super Lap Scotland championship.

Competitors using their road cars are also eligible for the Road-Car Championship which is a separate award for road-going cars competing in standard trim, taxed, MOT'd.

Tuning companies, car clubs or groups of drivers may also compete for the Team Trophy, consisting of teams of between 2 & 4 drivers.

New for 2019 is the Retro Class to reward drivers of cars manufactured prior to 1990.

Extreme production cars / specials – drivers with extreme / special cars such as Westfield XTR, Radicals, Xbows or similar may be considered for entry into the Invitation Class at the discretion of the organisers. The organisers decision is final but if you have anything of very limited production numbers, or a special, then please get in touch and we will advise whether the car is compatible with the spirit of the regulations or not to avoid disappointment prior to entering. Invitation Class competitors do not score points towards the championship but are eligible for trophies and awards at the events.

Invitation Class

Class I: The organisers may also permit entries from competitors not registered for the championship and/or participating in vehicles not complying fully with the Championship Regulations. Acceptance of entries is at the organisers discretion. Competitors in the Invitation Class are not eligible to score points and for the purpose of points scoring will be ignored.

Competitors must specify the appropriate class entered on the Entry Form and provide documentary evidence supplied by the Championship nominated Rolling Road specified in 3.3.5 detailing recorded power output and weight of the car. Power is measured at the flywheel and weight is the minimum weight at the conclusion of each session with the driver seated in the normal driving position. A maximum boost pressure reading may be recorded during official Power Tests (only applicable to vehicles with Forced Induction). The organisers reserve the right to measure Power to Weight ratios at any time during the event using a Rolling Road as detailed in 3.3.5, and to re-classify vehicles as appropriate. The Organisers reserve the right to request and record boost level readings during an event via the Competitors ECU software, or via Championship supplied measuring device – failure to comply with this request may result in non-compliance. Any modifications undertaken after registration must be notified to the Organisers using the Vehicle Modification Declaration Form who may require the Competitor to provide a new power to weight certificate.

- 3.3.1 Motorsport UK General Regulation S.10.1.15 regarding towing points is mandatory.
- 3.3.2 Laminated windscreens, lamp glass security and rear view mirrors (Motorsport UK GR S.10.2.1.b) are mandatory.
- 3.3.3 All cars must be fitted with an operable reverse gear and have a red rear warning light compliant with Motorsport UK General Regulation K.5.

- 3.3.4 The use of any heating/heat retention devices, tyre treatments and compounds is prohibited. Tyre cooling is also prohibited other than by natural convection.
- 3.3.5 The nominated Rolling Road for power testing is;
RA Motorsport Developments, Unit 8, Lochty Ind. Est., Almondbank, Perth, PH1 3NP.
Tel. 01738 583064
- 3.3.6 Any ballast fitted must comply with Motorsport UK General Regulation J.5.15.2 to J.5.15.4 and must not exceed 50kg, and a maximum of 25kg in any one location.

However, Pro Class aero devices forward of the rear axle line must be below the height of the bonnet and the maximum width of any aero device may not exceed 2400mm.
- 3.3.8 Timing at all events will be by Electronic Competitor Identification Modules (Transponders) and Light Beam Timing Systems. Each competitor is responsible for having their vehicle fitted with a working vehicle identification module (transponder). The nationally required transponder is a MyLaps X2 Car transponder.
- 3.3.9 Onboard Cameras: Any in-car camera should be fitted and used in accordance with Motorsport UK General Regulation J.5.21. Competitors are obliged to fit an action camera mount provided by the KMSC. The championship officials will select competitors at each round who will carry a championship action camera for all sessions. The footage will be used for both promotional and judicial procedures.

4. APPENDICES

The Following Commercial Undertakings are not subject to the Judicial Procedures of Motorsport UK/MSC.

4.1 Commercial undertakings

4.1.1 VEHICLE PRESENTATION

The presentation of the car is fundamental to the profile of the championship its sponsors and its audience. Therefore in considering whether to permit any car to participate, at any point during the season, the organisers will regard as paramount the presentation of the car. In taking into account its appearance inherent in which is the standard of its presentation (including interior) they may exclude any car which they consider may prejudice the reputation of the championship or is otherwise unacceptable. This will include where the car is presented at an event bearing accident damage sustained at a previous event and which has not been subject to the completion of a full and proper repair.

4.1.2 ADVERTISING / GLASS

- (a) All glass areas must remain clear and unobstructed by decals/advertising or any other obstruction unless these regulations specify different or are approved by the Knockhill Motor Sports Club / Championship Co-ordinator.
- (b) The only exception being the rear side windows that should have the drivers' surname and championship class, clearly displayed in simple bold type together with the allocated competition number displayed in accordance with S.17.3.4, Q.11.4 and Q.11.4.1. Competition numbers must also be displayed in the vehicle windscreen in accordance with Q.11.4.2. Please note Motorsport UK General Regulation H.28.1.4 – No display on a transparent surface can exceed 13cm in depth.
- (c) All surfaces, which have not been claimed for stickers by the Organisers, the Championship sponsors or used for the application of starting numbers, are free for use. The Championship Co-ordinator must approve conflicting sponsor's stickers in advance and the position, size and colours (if approved) will be at the discretion of the Championship Co-ordinator.
- (d) Please note Motorsport UK General Regulation H.28.1.2 – The display must not be offensive.
- (e) Competitors are reminded that numbers must be removed or covered when driving on the public highway (Motorsport UK General Regulation S.9.2.6).
- (f) Competitors may be required to display Championship sponsors stickers / decals in locations determined by the Organisers. Display of these stickers is mandatory for participation in the Championship.

4.1.3 TRADE SUPPORT

The organisers reserve the right to obtain support sponsorship for the Championship, usually by means of product for competitors. To qualify, this may require fixing support sponsors' logos on either side of the car.
